

# General terms and conditions

## Attention

We are Essepi S.r.l. and [www.essepiwood.com](http://www.essepiwood.com) is our website: welcome!

These are the rules for using the site: please read carefully!

By accessing this site, you agree to the following terms and conditions. If you do not agree with all the terms and conditions on this page, do not continue to use [www.essepiwood.it](http://www.essepiwood.it)

If you continue, we enter a binding agreement.

## Object

We are a production company dedicated to the processing of wood for chairs with a strong vocation to face the design challenges of the client.

The site is accessible by anyone.

## Change of Terms and Conditions

We reserve the right to modify or simply update, in whole or in part, these general terms and conditions of use at any time.

It is your responsibility to regularly review the latest version of the General Terms of Use.

Changes and updates to the General Terms of Use will be binding as soon as they are published on the website in this same section.

## Use of the site and user responsibility

The user is personally responsible for the use of the site and its contents.

You are responsible for the safekeeping and proper use of your personal information, including credentials that allow you to access the reserved services, as well as any harmful consequences or injury that may result for us and/or third parties as a result of the incorrect use, loss, theft of such information.

## Intellectual property

Unless otherwise specified, we hold the intellectual property rights for all material published on the site.

All intellectual property rights are reserved and are protected by national and international intellectual property law. Reproduction, in whole or in part, in any form, of the site and its contents without our prior written permission is prohibited.

The user is only authorized to view the site and its contents using the relevant services available.

## Social media policy

In our business we use some social media and instant messaging services.

Through our social media profiles and instant messaging services, we can share and relaunch content and messages, including those posted by third parties.

Any comments below our posts and posts of users that mention us represent the opinion of individuals and not ours, we cannot be held responsible for what is published by third parties

Given or received friendships, comments and/or "likes" do not imply that we agree with the line of thought of the interested users or approve all the content posted by them.

Everyone is responsible, also legally, for the contents they publish and the opinions they express

Users who interact with our social channels must respect some simple but important rules:

- 👉 one's opinion with education, correctness: respect and using appropriate language. Vulgarity, insults, threats and, in general, violent or defamatory behaviour and attitudes are not tolerated. Everyone is responsible, even legally, for the content they publish and their opinions
- 👉 the content and comments must be relevant to our activity (on topic)
- 👉 Any person who presents data, news or opinions on specific facts or issues must put forward well-founded and not spurious arguments and cite reliable verifiable sources
- 👉 published content must always respect the privacy of individuals. References to facts or details which are not of public importance and which affect the personal sphere of third parties shall be avoided in all cases
- 👉 spam or promotion of private interests or lawful or illegal activities are not allowed
- 👉 content that infringes copyright or unauthorized use of trademarks are not allowed

In any case, comments or audio/video materials that:

- 👉 use inappropriate language and/or a threatening tone, violent, target or offensive content that is unlawful or inciting you to engage in illegal activities
- 👉 has the purpose of promoting products and services
- 👉 directly or indirectly disclose personal data and information or that in any way may cause damage or adversely affect the confidentiality or reputation of the data subjects
- 👉 disclose, directly or indirectly, information relating to minors
- 👉 are discriminatory in terms of gender, race, ethnicity, language, religious beliefs, political opinions, sexual orientation, age, personal and social conditions, health
- 👉 have spam purposes
- 👉 promote or support lawful or illegal activities, that violate copyright or that misuse a trademark
- 👉 are inconsistent with our business and with the communication content of our social profiles (off topic). will be removed.

In case of violation of these rules, we reserve the right to use the ban or block and, in the most serious cases, to report the user to the managers of the platform and possibly to the authorities.

## Privacy

We process the personal data of users of the site in compliance with GDPR, as specifically indicated in our Privacy Policy

### Limitation of liability Essepi S.r.l .

We treat and maintain the site and its contents with the utmost diligence; we do not assume any responsibility for the correctness, completeness and timeliness of the data and information provided on the site. Therefore, any liability for errors or omissions arising from the use of data and information on the site must be excluded.

We disclaim all liability, including the presence of errors, the correction of errors, the responsibility of the server hosting the site; we are not responsible for the use of the information contained, their correctness and reliability.

Under no circumstances, including negligence, will we be liable for any direct or indirect damage that may result from the use or inability to use the materials on the site.

We cannot be held responsible for the damage caused by the failure to provide the service due to the incorrect or malfunctioning of the electronic means of communication for reasons beyond predictable control.

Such as e.g.: malfunctioning of servers and other electronic devices, even if they are not part of the internet network; malfunctioning of installed software; computer viruses. The user therefore undertakes to hold the owner harmless and indemnify from any responsibility and/or request in this regard.

## Applicable law

This contract and the resulting relationships are governed by Italian law.
